

**WESTLOCK COUNTY
LANDFILLS
Accepted Waste Products**

Main Bury Pit

- General household garbage
- Old furniture
- Non-salvageable metals
- Plastics (all types)
- Limited quantities of non-burnable wood (treated)
- Waste shingles
- Any other material not otherwise restricted or requiring separation

Burn Barrel Pit

- Burn barrel refuse only
- NOTE: old, discarded barrels must be placed in metal salvage area.

Burn Pit

- Wood
- Soiled cardboard (limited quantities)
- Other wood products

Designated Material Sites

- Batteries
- Tires
- Twine
- Wire
- Metal Salvage
- Appliances - **Westlock Only**
- Oil filters
- Empty pesticide containers
- Cardboard (Westlock Landfill)

Non-Accepted Products

- Hay or straw
- Manure, sewage, fertilizer
- The whole or part of dead animals or fowl
- Inflammable liquids, industrial waste, oil, chemicals, insecticides or herbicides and any deleterious material.
NOTE: No paint or oil allowed, only empty containers. Drained oil filters only are allowed at designated material sites.
- No item or container greater than three cubic meters
- Household appliances (accepted at Westlock Landfill only). NOTE: freezers, refrigerators, etc., will only be accepted after freon has been removed.
- Vehicle bodies or parts thereof.

Conditionally Accepted Products

- Posts, poles, tree branches and stumps providing nothing is in excess of four feet in length
- Wire, providing it is rolled and bound
- Limited small quantities of concrete, parching, etc. may be allowed at Westlock site only
- The following may be conditionally allowed by special approval of Council, Municipal Administrator or the Director of Environmental Services only: building materials, parts of buildings, sand, gravel, concrete, wood chips and soil. Commercial or contractual patrons will be urged to dispose of material at locations where dry fill material is required rather than at landfill sites.

PLEASE NOTE: No scavenging permitted.
